God's Word

WELCOME TO ST. PETER'S ... Clive, Pippa, Jacob & Grace!

A message from the Beazley-Longs ...

We are delighted to be joining you all very soon when Clive begins his curacy in Chertsey, Lyne and Longcross. For the past two years we have been in Bristol learning with the community at Trinity College, but now we are very much looking forward to getting back to the 'real world'. Let's tell you a little about us.

Clive

I am committed to the truth of the Bible and the message that God's grace can save anyone. You will also find someone who believes in the works of the Holy Spirit and who looks to the gifts the Spirit gives to each and every believer. Whilst at College I have been inspired by the teaching of a group of South Americans who teach a theology of liberation for the poor and oppressed. Before beginning at Trinity I was a parish youth and children's worker. I like independent film, collecting rocks and fossils and the occasional pint of real ale!

Pippa

I love that God is someone who cares about family. I think that however old you are Jesus has a role for you. I am concerned about family issues and helping those in society who do not have a voice. You won't find someone comfortable with being 'up front', but you will find me there supporting my husband and family and willing to lend an ear to those who need one.

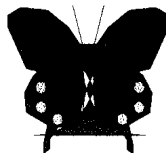

Jacob

I am 4 and will be starting at Stepgates School in September. I like trains and dinosaurs.

Grace

I am 2. I like ballerinas and butterflies.

WELCOME!

EXCITING NEWS ...

You will hopefully have taken a look at the display! Following DAC approval, we await the final stamp to begin the long-awaited re-wiring, lighting, decoration and installation of new sound/av to the church - planned start date is Monday 5th July. Do please be aware that for several weeks there will obviously be disruption, especially on Sundays when the pews will only be accessible via the middle aisle. We are sure this small period of discomfort will be worth it once works are complete!

PLEASE PRAY!

... AND CONTINUING WITH THE CHURCH WORKS

A substantial amount of clearance is required! John LEACH and David FRITH would welcome volunteers to help move items into designated areas from **10am - 1pm on Saturdays 12th and 19th June** - do let them know if you can help. And the sound and av installers would welcome volunteers who can help make up the equivalent of 20 days labour putting in the cabling for all the new equipment - if you can help please speak to Joe Broad or Sean Hudson. Thank you.

HOUSE GROUPS
 Meet on 2nd and 4th **TUESDAY EVENINGS** and 1st and 3rd **DAY-TIME WEDNESDAYS** - look out for details in our weekly Notices. Ask George Hobbs for more info - 565588.
